\*A student may arrange for a one-off lesson or a trial lesson according to the teacher's available time slots. Fees have to be paid according to the "School Fees", at least 1 day prior to the lesson. If the student decides **right within the day** of the lesson to take up a course in the school, he/she will only need to pay the balance of the necessary fees, and this lesson will be considered as the first lesson of the course.

**Note:** For new students, a deposit equating to one month's fees is payable upon registration. The deposit offsets the payment for the last month of the course.
